## APPLICATION FOR VOYAGE FUNDING POLICY / GUIDELINES

Thank you for your request about the possibility of financial assistance towards berth fees. This document sets out our policy and terms and conditions of funding.

- ◆ The applicant should demonstrate a genuine need for financial assistance and accept that the process is a 'joint' venture.
- ◆ The applicant should demonstrate commitment to the JST either through fundraising part of the voyage cost and/or to contributing to the aims of the JST- the integration of disabled and able-bodied people through Tall Ship sailing.
- ◆ This process is subject to the availability of funds for the specific purpose of berth sponsorship.
- ◆ Other than in the most exceptional cases, the JST cannot meet the full voyage costs and funding will only be applied once per person. Anyone applying for funding will not be eligible to take the additional discounted 1<sup>st</sup> 28 rate. Our voyage brochure prices are already subsidised by 30%.
- ◆ Funding is awarded on the provision that the Trust receive a post voyage report from the applicant. This can be in any format, e.g. written report, video diary, Powerpoint presentation etc. Written reports need to be a single A4 side or more. Failure to supply such a report may require the applicant to repay the funding awarded.

## WHAT TO DO NEXT?

- ◆ Please complete the enclosed 'Application for Voyage Funding' which offers you the opportunity to give us as much information as you feel appropriate in considering your request.
- ◆ Please carefully consider how you will fund the difference between the total voyage cost (including insurance and travel to/from the ship), and the amount you request in assistance.
- ◆ You may wish to consider contacting and joining your local JST Branch as a way of supporting the JST (but not for further funding of your voyage). They can provide details of local activities, ship maintenance and Port Visits where your help would be very valuable. Contact [fundraising@jst.org.uk](mailto:fundraising@jst.org.uk) for more information.

You will be advised as soon as possible on the outcome of your application and we hope it will lead to you sailing with us.

**Please do not book any travel to/from the ships until your funding and acceptance for your chosen voyage has been confirmed. We cannot be held responsible for any loss in the event that you are unable to sail with us, so please ensure that you have adequate insurance cover.**
