

Second Engineer (Onboard)

We are looking for a positive outgoing person to join our team working on our Tall ships Lord Nelson and Tenacious. You will become part of a charitable Trust which gives people of mixed abilities the freedom to explore their ability, potential & place in the world through inclusive adventures at sea. Yours will be a key role in delivering this.

Our beliefs:

- Freedom - We believe that everyone should have the freedom to live their life as they wish
- Tenacity - We believe in the power of a determined and courageous attitude to overcome anything
- Community - We believe in the power of a diverse, accepting and respectful community that safely nurtures and helps each other grow
- Exploration - We believe that exploring can help us see potential, not limitations and give us a fresh perspective on our place in the world
- Responsibility - We believe that to progress whilst protecting ourselves and our environment, we must take risks but never be reckless

Location: Worldwide

Pay: £27,560 based on an 8 month contract
Temporary daily rate: £111.00 per day (Gross)

The Position:

The 2nd Engineer is accountable to the Chief Engineer for the safe operation and maintenance of the ship's machinery and works under the direction of the Chief Engineer.

Your responsibilities would include:

- Routine and planned maintenance in the engine room and deck machinery
- Undertaking security duties as instructed
- Being part of the firefighting and emergency parties
- Ship stores
- Standing harbour duties when required

Skills Required:

- Excellent communication skills
- Prior marine engineering experience (essential)
- Problem solving ability
- Excellent customer service
- Fluent in English

Jubilee Sailing Trust, 12 Hazel Road, Southampton SO19 7GA

Patron: HRH The Duke of York, KG · Registered Charity No: 286487 · Registered in England and Wales

Date: 15 May 2019

Certification Required:

- **Engineering CoC/CeC or SMEOL/MEOL (Senior) Marine Operators Engine Licence**
- **ENG1 Seafarers Medical Certificate** - A ENG1 Seafarers Medical Certificate is a requirement for working onboard our ships, however we can assist the successful candidate with obtaining the required medical certificate if not already held.
- **DBS Certificate (Disclosure and Barring Service)** - A valid DBS certificate is a requirement for working onboard our ships, however we can assist the successful candidate with obtaining this if not already held.
- **STCW Basic Safety Training** is an essential requirement for working onboard our ships, however we can assist the successful candidate with obtaining the required courses if the following courses are not already held:
 - Personal Survival Techniques (PST)
 - Personal Safety & Social Responsibilities (PSSR)
 - Elementary First Aid (EFA)
 - Fire Prevention & Fire Fighting (FPFF)
 - Proficiency in Survival Craft and Rescue Boats (PSCRB)
 - Proficiency in Designated Security Duties (PDSD)

Person Specification:

- Willingness and ability to be flexible
- Ability to get on well with a wide variety of people and work as a team
- Strong work ethic
- Dependable
- Positive attitude
- Self-motivated
- Responsible
- Ability to work well under pressure, continually striving to improve for our community
- Must work effectively to resolve issues

How to apply:

Please send a copy of your CV and relevant certificates to charlotte.butcher@jst.org.uk
